Mission
To be the innovators for a positive change in society through Corporate Social Responsibility (CSR)

Vision
To be the catalyst for better society by encouraging public, private and development sectors towards promoting responsible business

The CSR Centre is a Trust established on September 5, 2007 as a private sector initiative to encourage and expand Corporate Social Responsibility practices in Bangladesh and globally.

As a Catalyst for change through Corporate Social Responsibility in Bangladesh CSR Centre takes the initiatives and provides services to promote responsibility of all stakeholders towards a growing economy.

“CSR is about achieving organizational excellence in ways that honor ethical values and respect people, communities & environment.”
– CSR Centre

“The primary objective of the CSR Centre is to become the principle source of information, resources, and advisory services on CSR in Bangladesh.”
– The European Commission

“Being socially responsible means not only fulfilling legal expectations, but also going beyond compliance and investing more into human capital, the environment and relations with stakeholders.”
– The European Commission
CSR Centre involve with FTA (Foreign Trade Association) to build a professional foundation and framework for all Capacity Building Activities in Bangladesh. FTA is the leading business association of European and International commerce, based in Brussels.

CSR Centre also provides BSCI (Business Social Compliance Initiative) trainings to enable RMG sectors to tackle challenges. BSCI is an initiative of FTA focus on improving working conditions in supplying factories and farms worldwide. Continuous Improvement, Empowerment and Cooperation are the core value of BSCI.

Dimensions of CSR
CSR reflects on The Triple Bottom Line—People, Profit & Planet
Internal CSR incorporates core business activities that have an external impact on the society, environment & economy.
